GET SET FOR THE GAMES

4–15 APRIL 2018

# From 18 March, your bin collection time is changing!

**To accommodate changes in traffic conditions and increased waste service demands, all bin collection times will change before, during and after the Games.**

To be prepared for this change, it is essential to ensure your bins are placed out for collection the night before your service day to avoid a missed service as collections may commence any time from midnight.

## What do I need to do?

1. From 18 March onwards, place your bins out the **night before** your normal service day.
2. Ensure your bin is placed where our waste truck can access it easily.
3. Remind your neighbours to put their bins out too!
4. Bring your bin in as soon as you can after servicing.

Unfortunately during GC2018 we will be unable to return for missed services.

Please be mindful when placing your bins out to ensure our waste trucks can access them. If your bin needs replacing or fixing, there will be delays to this service over the Games period.

We appreciate your cooperation and understanding during this time. For more information visit **getsetforthegames.com/city-gold-coast-services** or call us on 07 5667 5976.

# Temporary closure of Merrimac Waste and Recycling Centre

## 2–15 April inclusive

**Due to temporary Games impacts, Merrimac Waste and Recycling Centre (located at Boowaggan Road, Merrimac) will be closed from 2–15 April inclusive.**

During the temporary closure, we recommend residents utilise Reedy Creek Waste and Recycling Centre, located at 61 Hutchinson St, Burleigh Heads. This centre is open 7am to 4.50pm daily, except Good Friday.

All other Waste and Recycling Centres will be operating as usual.

We appreciate your cooperation and understanding during this time. For more information visit **getsetforthegames.com/city-gold-coast-services** or call us on 07 5667 5976.
