

Greater Southern Gold Coast Chamber of Commerce.

TREASURERS REPORT, 19th September

The Chamber would firstly like to thank Crowley Calvert and Holmes who have prepared and completed our financials and an audit of our accounts on a contra basis with their membership of our chamber for a number of years.

Can I please ask for a chamber member to propose and a member to second that we maintain this arrangement for the chamber's current financial period of 2019 through to 30 June 2020?

Proposed;

Seconded:

A copy of the chambers financial statements for the year ended 30 June 2019 are available for your perusal and are displayed and I would like to summarise as follows;

As previously noted in our Presidents report the chamber is in a relatively sound financial position and the auditors report confirms this position.

The chamber has been able to improve its balance sheet from a surplus of \$34,231 in 2018 to a June 2019 surplus of \$ 40,678, and this can largely be attributed to the support and increased chamber sponsor and memberships during the financial year,

There will be a number of challenges for the Southern Gold Coast business community in the upcoming year and it is important that the chamber has a strong membership and financial base to ensure that the best interests of its local community are maintained and ensured.

In this regard I consider that the chamber is currently well resourced to provide for these requirements however it is important that we continue to grow so that we can better represent the interests and needs of the Southern Gold Coast business community.

A copy of the chamber s financial statements will be submitted to the Office of Fair Trading with our Annual return for the Greater Southern Gold Coast Chamber of Commerce

Can I ask for a member from the floor to propose that the accounts be accepted and a member to second the proposal

Proposed;

Seconded;

Thank You

John Forrester

Chamber Treasurer 2018-2019
